

THE NEW JERSEY SOCCER GROUP

Press Release

**STA and NCAA Division I star Freguletti Returns to the Magic
Millburn, NJ—January 25th, 2012**

The Millburn Magic are building a fantastic team for the 2012 Women's Premier Soccer League season, though one returning star to the squad - a product of the STA youth soccer program - is coming back after her freshman year following a stunning first season as a key player with the Monmouth Hawks.

Defensive-midfielder and Mahwah native **Alexa Freguletti** will bolster the back line after a fantastic first season with the D-I NCAA squad. In her first season, she started all but one game of 19, playing in every single tie and even getting a goal and an assist.

As a three-year varsity player at Mahwah High School, Freguletti went on to captain the squad in her senior year and led the team to the Big North League and New Jersey State Championships, grabbing 12 goals and 11 assists in her final season. Developing further as one of the key players in the Morris United/STA Crush team, Freguletti has proved her worth on every level she has been tested and underlined this with a stunning goal against Robert Morris in a December clash as part of her impressive rookie year with the Hawks in the Northeast Conference.

On top of this, Freguletti is a natural athlete and is currently keeping herself fit ahead of the 2012 WPSL season with her second sport, lacrosse, again representing the Hawks. With a number of strong defenders signing up to the Magic for the upcoming season, the team is excited to have another example of young talent on the squad; with plenty more players being announced in the coming weeks, the next Millburn campaign will certainly be exciting when it kicks off in May.

The [Millburn Magic](#) are members of the [Women's Premier Soccer League](#), the highest level of women's amateur soccer in the United States. They are part of the [New Jersey Soccer Group](#), a management company for a family of soccer based organizations offering a full range of soccer services in New Jersey.
